POACHING HURTS EVERYONE!

- **Poaching is ILLEGAL** and is defined as the taking or attempting to take an animal without a valid permit, on another person's Permit, or attempting to take species that is not on the Permit issued to the hunter.
- Animals taken without a Permit are not considered in the management plan, and can harm the overall population. With the recent drought every animal in the population is important.
- **Poaching is not our way!!** Poachers may feel that the limits put on hunting Permits is not our native way, but taking animals out of season or without a Permit is unethical and against Pueblo Law. Conserve the resources we have been blessed with and allow future generations to enjoy our hunting tradition.
- Repeat Poachers can lose Laguna hunting privileges for LIFE!

BE AWARE OF WHAT IS LEGAL AND WHAT IS NOT. ALL HUNTERS ARE RESPONSIBLE FOR KNOWING ALL THE RULES AND REGULATIONS BEFORE GOING INTO THE FIELD. ASK IF YOU ARE NOT SURE ABOUT ANYTHING REGARDING THE PROCLAMATION. FEEL FREE TO CONTACT THE ENRD OFFICE AT (505)552-7512
